INTERNATIONAL ORIENTEERING
CHAMPIONSHIP

BULLETIN 1

1 - 2 September 2023
Jakarta - Indonesia

Welcome to Jakarta, Indonesia!

Dear orienteering friends,

We are very happy to welcome you to Jakarta, For International Gebyar Citra Pemuda 2023 - Orienteering Championship. It is the first time that we organise WRE in Indonesia. As the capital city, Jakarta is a multicultural city that combines different landscapes, and diverse cultures.

And we proudly present Taman Mini Indonesia Indah (TMII) as our venue race. TMII is the perfect showcase for Indonesia's rich cultural and natural diversity, which consists of many special replicas of traditional houses found across the Indonesia Archipelago.

Get ready to feel the competitive spirit, explore iconic sites from our cultures, and meet fellow orienteers in IGCP 2023.

We would like to thank all the people who are already working & helping in this event. And thank to the federations, especially for IOF and FONI. We hope all the participants/orienteers have a very pleasant stay in our city.

Have fun and enjoy the race in IGCP 2023. Wish you the best of luck!
